Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Thursday 25 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Rain or showers, heavier in the afternoon.

Today:
A cloudy morning with some patchy, showery rain. Brighter in the afternoon, but showers will turn heavier and become more frequent and widespread. Moderate southwest winds. Maximum temperature 12 deg C (54 deg F).

Tonight:
Showery outbreaks of rain continue through this evening and early in the night, with a band of heavier more persistent rain sweeping east later in the night. Minimum temperature 1 deg C (34 deg F).

Friday:
A much colder day despite more bright or sunny spells. Scattered heavy showers, most frequent in the west, turning wintery on high ground. Maximum temperature 9 deg C (48 deg F).

Outlook for Saturday to Monday:
A cold frosty start, a mostly dry start to Saturday. Turning milder with strong winds and rain in the afternoon. Breezy with outbreaks of rain Sunday and Monday.
